MEMORANDUM

To: Mark D. Kinser, Chairman
Board for Contractors
Department of Professional and Occupational Regulation

Eric Olson, Executive Director
Board for Contractors
Department of Professional and Occupational Regulation

From: Eric A. Gregory
Assistant Attorney General

Date: May 8, 2006

Subject: Letter of Assurance for Amendments to Regulations to include Water Well Systems Providers

I have reviewed the Board for Contractors' amendments to its regulations to include certification for Water Well Systems Providers that were posted on the Virginia Regulatory Town Hall internet site on April 24, 2006. In my view, as counsel to the Board for Contractors, the Board may promulgate these regulations pursuant to §§ 54.1-201(5), 54.1-1129.1, and 54.1-1130 of the *Code of Virginia*. The regulations do not appear to conflict with the Constitution of the United States or the Constitution of the Commonwealth of Virginia, nor do they appear to conflict with any federal or state law currently in effect.

This memorandum addresses legal matters only and is not intended to serve, nor should it be construed, as a comment for or against the merits of the proposed regulations.
